Faculty Teaching Workload & Student-Teacher Ratio Report 2024-25

Institution: Vidyapath Institute of Technology (VITEC) | Academic Year: **2024-25** | Department: **Academic Office**

Document ID: DOC-ACCR-038	**Criterion: Criterion 2**	**Status: ACTIVE**
Subcriterion: 2.2 Catering to Diverse Learning Needs	**Lead Officer: Dr. K. S. Murthy, Dean Academics**	**Approved Date: 2025-05-10**

EXECUTIVE SUMMARY & ACCREDITATION SCOPE

Analysis of instructional teaching workload, AICTE student-to-teacher ratio (STR) compliance, and laboratory batch distribution.

Section 1: Student-to-Teacher Ratio and Workload Compliance

The institutional Student-Teacher Ratio (STR) stood at 1:14.8 against the AICTE prescribed norm of 1:15 for autonomous engineering institutions.

Full-time faculty workload adhered strictly to norms: 14 hours per week for Professors, 16 hours for Associate Professors, and 18 hours for Assistant Professors.
