Institutional Distinctiveness Performance Report 2024-25

Institution: Vidyapath Institute of Technology (VITEC) | Academic Year: **2024-25** | Department: **IQAC**

Document ID: DOC-ACCR-029	**Criterion: Criterion 7**	**Status: ACTIVE**
Subcriterion: 7.3 Institutional Distinctiveness	**Lead Officer: Dr. Rameshwar Rao, IQAC**	**Approved Date: 2025-05-20**

EXECUTIVE SUMMARY & ACCREDITATION SCOPE

Statement and verifiable impact documentation of institutional distinctiveness: Affordable Clean-Tech Engineering for Semi-Urban Communities.

Section 1: Distinctive Focus on Affordable Clean-Tech Engineering for Semi-Urban Communities

VITEC's institutional distinctiveness centers on 'Affordable Clean-Tech Engineering for Semi-Urban and Rural Communities'. The institution channels multidisciplinary engineering projects to solve regional energy, water, and agricultural challenges.

Over the past three academic cycles, this focused thrust has produced 34 specialized prototypes, 12 filed patents, and direct technological adoption across 14 rural village panchayats.
