EXECUTIVE SUMMARY & ACCREDITATION SCOPE

Official institutional policy document defining ethical research codes, anti-plagiarism screening using Turnitin, consultancy revenue-sharing ratios, and IPR ownership rules.

Section 1: Research Ethics, Anti-Plagiarism & Consultancy Policy

All undergraduate, postgraduate, and faculty research manuscripts and theses must undergo mandatory plagiarism screening via Turnitin. A maximum similarity index threshold of 10% is strictly enforced.

Consultancy revenue sharing is structured at 70:30 for projects utilizing intellectual expertise, and 50:50 for assignments utilizing intensive college laboratory equipment.
