Mandatory Student Industry Internship Report 2024-25

Institution: Vidyapath Institute of Technology (VITEC) | Academic Year: **2024-25** | Department: **Training & Placement Cell**

Document ID: DOC-ACCR-007	**Criterion: Criterion 1**	**Status: ACTIVE**
Subcriterion: 1.3 Curriculum Enrichment & Value-Added Courses	**Lead Officer: Prof. S. R. V. Prasad, TPC**	**Approved Date: 2025-05-10**

EXECUTIVE SUMMARY & ACCREDITATION SCOPE

Review of undergraduate student industrial internship completion, credit transfers, stipend data, and institutional corporate linkages.

Section 1: Mandatory Industry Internships and Credits

Under the Autonomous R22 curriculum framework, all undergraduate engineering students are required to undergo a minimum 8-week summer internship or semester-long corporate attachment.

During 2024-25, 612 undergraduate students completed credited internships across 118 recognized industrial enterprises, research laboratories (DRDO, NRSC, IICT), and software firms.
