Central Library Learning Resources & Utilization Report 2024-25

Institution: Vidyapath Institute of Technology (VITEC) | Academic Year: **2024-25** | Department: **Library**

Document ID: DOC-ACCR-014	**Criterion: Criterion 4**	**Status: ACTIVE**
Subcriterion: 4.2 Library as a Learning Resource	**Lead Officer: Dr. G. Satyanarayana, Chief Librarian**	**Approved Date: 2025-05-10**

EXECUTIVE SUMMARY & ACCREDITATION SCOPE

Report on central library automation using Koha ILMS, print volume accessions, subscription to e-journals (IEEE, ScienceDirect), and digital footfalls.

Section 1: Central Library Resources & Digital Automation

The Central Library at VITEC houses 48,200 print volumes, 8,400 reference titles, and subscribes to premier international digital repositories including IEEE Xplore, ScienceDirect, SpringerLink, and DELNET.

Automated with open-source Koha Integrated Library Management System (ILMS) with RFID gate access, the library recorded average physical daily footfalls of 1,840 users and 3,200 daily digital e-resource queries.
