Institution: Vidyapath Institute of Technology (VITEC) | Academic Year: **2024-25** | Department: **Training & Placement Cell**

Document ID: DOC-ACCR-046	**Criterion: Criterion 5**	**Status: ACTIVE**
Subcriterion: 5.1 Student Support & Scholarships	**Lead Officer: Prof. S. R. V. Prasad, TPC**	**Approved Date: 2025-05-02**

EXECUTIVE SUMMARY & ACCREDITATION SCOPE

Detailed report on quantitative aptitude training, coding bootcamps, mock group discussions, and soft skills workshops.

Section 1: Pre-Placement Employability Training Modules

A mandatory 120-hour Employability Skill Development training program was conducted for all 3rd and 4th year students, covering DSA in C++/Java, full-stack web architectures, and communication skills.

760 students participated in 12 mock technical interview cycles led by corporate software architects.
