ICT and Campus Network Infrastructure Report 2024-25

Institution: Vidyapath Institute of Technology (VITEC) | Academic Year: **2024-25** | Department: **Administration**

Document ID: DOC-ACCR-015	**Criterion: Criterion 4**	**Status: ACTIVE**
Subcriterion: 4.3 IT Infrastructure	**Lead Officer: Chief Technology Officer**	**Approved Date: 2025-05-16**

EXECUTIVE SUMMARY & ACCREDITATION SCOPE

Comprehensive survey of institutional computing devices, leased line internet bandwidth, campus-wide Wi-Fi mesh, and enterprise resource planning software.

Section 1: High-Speed Internet Bandwidth & Wi-Fi Coverage

The campus computing environment features 1,420 high-performance computer terminals connected over a Gigabit fiber-optic backbone. A dedicated 1 Gbps 1:1 leased line from Tata Communications ensures high-speed connectivity.

A secure Wi-Fi 6 mesh network covers 100% of academic blocks, central library, student hostels, and innovation centers with 802.1x enterprise authentication.
