EXECUTIVE SUMMARY & ACCREDITATION SCOPE

Internal Quality Assurance Cell annual review documenting institutional benchmarks, academic and administrative audits, feedback action plans, and faculty capacity building metrics.

Section 1: IQAC Mandate and Strategic Initiatives

The IQAC of Vidyapath Institute of Technology functioned actively throughout 2024-25 to establish quality operational guidelines across curricular, co-curricular, and administrative functions.

The cell convened four statutory quarterly meetings on July 14, 2024, October 19, 2024, January 21, 2025, and April 28, 2025, with active participation from academic experts, industry representatives, and student council nominees.

Section 2: Academic and Administrative Audits (AAA)

External academic peer reviews were organized on May 12-14, 2025, featuring distinguished evaluators from Osmania University and JNTU Hyderabad. The committee evaluated course files, laboratory records, attainment matrices, and research outputs.

Out of 120 course files audited across six departments, 114 satisfied all IQAC rigorous compliance benchmarks without requiring remediation.

Section 3: Faculty Capacity Building

Faculty empowerment initiatives achieved 126 faculty participation instances across 18 approved FDPs coordinated with IIT Hyderabad and IEEE. Every academic department fulfilled the mandatory mandate of organizing at least two national-level specialized workshops.

Specialized pedagogy tracks included Problem-Based Learning (PBL) in engineering, automated code grading mechanisms, and ethical AI classroom tools.

Department	FDPs Conducted	Faculty Attendees	Compliance Status
CSE & IT	6 Programs	44 Faculty	100% Target Met
ECE & EEE	5 Programs	38 Faculty	100% Target Met
Mechanical & Civil	4 Programs	28 Faculty	100% Target Met
Basic Sciences & H&S;	3 Programs	16 Faculty	100% Target Met

Section 4: Collaborative Quality Initiatives with Industry

IQAC facilitated the signing of four new institutional industry MoUs during 2024-25, expanding industry-supported elective courses and experiential laboratory infrastructure.

Comprehensive stakeholder feedback was collected from 2,840 students, 186 teachers, 72 employers, and 450 alumni, resulting in targeted curriculum enrichment.
