EXECUTIVE SUMMARY & ACCREDITATION SCOPE

Institutional report on the comprehensive 20-question Student Satisfaction Survey covering teaching methods, mentoring, fairness of evaluation, and campus resources.

Section 1: Comprehensive SSS Survey Results

The institutional Student Satisfaction Survey for 2024-25 was administered electronically using authenticated student portals, securing valid responses from 1,480 undergraduate students.

The overall institutional satisfaction index stood at 4.38 out of 5.0. Highest scores were recorded in faculty preparation for classes (4.52/5), fairness of internal evaluation (4.45/5), and laboratory safety infrastructure (4.41/5).
